| High Roof: solid left; hinged door middle; perforated right | 02J180KP | 02H371KP |

**ALL partitions must be ordered with an attachment panel*

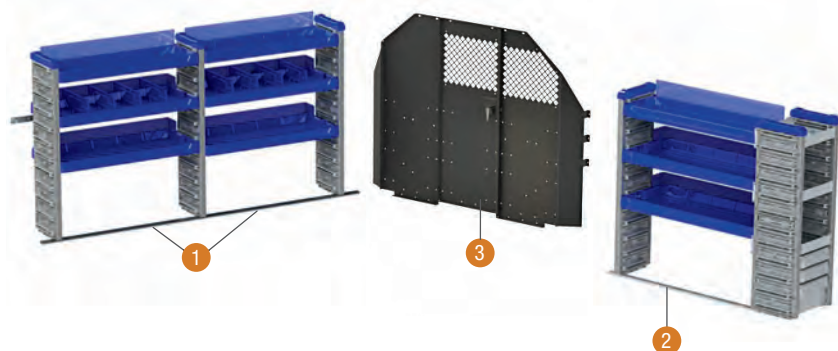

Ford Transit: Configurable SmartSpace® Packages

Quiet and customizable. The industry's only all composite and aluminum van interior can be easily adjusted in minutes without tools! SmartSpace shelves are made of rugged components engineered to last in the toughest work environments. Sound-absorbing shelves, uprights, and secured drawers deter tools and equipment from rattling while vehicle is in motion. Light color panels enhance visibility inside the cargo area. Masterack offers a variety of shelves, drawers, and accessories that slide into upright panels for infinite storage possibilities.

Ladder & Utility Racks

LOCKING LADDER RACKS

Masterack patented, easy-to-use clamping action secures ladders in place. Ladders are easily loaded and unloaded from the side of the van for safe and efficient operation. These no-drill ladder racks secure to existing mounting points in the vehicle roof, reducing install time and improving resale value. Locking feature protects cargo while on the move or at the end of the day.

| TRANSIT LOW ROOF (130"WB) ORDERING GUIDE | |
|---|----------|
| Description | Part # |
| Single Locking Ladder Rack for Extension Ladder | 02J058KP |
